

LOMOLLOCATION SHOOTING PROPOSAL

REGISTRATION FORM

Congratulations, you are only two more steps away from getting your own free Lomography camera. We just need you to fill out this form and take it to The Lomography Analogue Art Juror to present your LomoLocation Shooting Proposal. Don't be shy, take a chance! Present, dance, write or sing your LomoLocation Shooting Proposal in front of the Juror, no matter if the LomoLocations features the most haunted cellar in Buxtehude/Germany, a Roma community close to Munich – if the Juror likes your location, you could be seconds away from holding your very own, brand new Lomography camera!

We will only use your email to keep you informed and personally guide you step by step through making a LomoHome, uploading your Lomographic pictures to make sure your efforts will result in shining glory at the giant LomoWorldMap Germany at the photokina 2012.
